Hell,
o, let me introduce my self, my art
is wild as art can be. I draw on my
way from here to there,
so many years, as you possibly see.

Hope you like these drawings here,
I spent a lot of time on them
to have a shortwhile on the way. It's
a few of me, out of a lot, a lot of
time. The colours I added laterly, to
finish my doodles colourfully and fine.

This is not really a poem
